Cassette Care Do's and Don'ts

- 1 Don't** store cassettes on top of loud-speakers or other sources of magnetism.
- 2 Don't** store cassettes on radiators, other hot surfaces or in strong sunlight.
- 3 Don't** drop cassettes on the floor or subject them to any other violent knocks or vibration.
- 4 Don't** leave cassettes in the cassette player when not in use.
- 5 Don't** open the plastic case or tamper with the tape in any way.

- 1 Do . . .** return cassettes to their storage box after use.
- 2 Do . . .** clean tape heads regularly.
- 3 Do . . .** have the cassette player regularly serviced once a year by a reputable dealer.
- 4 Do . . .** take up any unusual slack in the tape, rotating in the required direction.
