

Jukebox edition singles originally came in generic EMI company covers and later in random picture covers with a label-sized hole cut out - these covers are only shown when verified and need not necessarily have come with the appropriate disc. When a Jukebox single exists, the matching cover is shown with it (even if the number on the cover -which has a 3C006 prefix- never corresponds with the disc -which has a 3C000 prefix-).

APPLE 3C006-04692 - MY SWEET LORD / ISN'T IT A PITY
