THE BEATLES Baby It's You

George Harrison lead guitar
John Lennon rhythm guitar
Paul McCartney bass guitar
Ringo Starr drums

Between March 1962 and June 1965, the Beatles played over 1000 live broadcast performances for the BBC's Light Programme. British pop fans who tuned to Saturday Club, Easy Beat, Top Gear or Pop Go The Beatles were treated to exclusive solo performances of both the Beatles and the more unusual material from the group's vintage past. In 1995, "Baby It's You" was reissued on this EP by three radio recordings that were released here for the first time.

SIDE 1
1. BABY IT'S YOU*
Chorus (George Harrison)
Track 11 June 1962
BBC/Paul Thomas, London
Great admirer of the American girl groups of the early sixties, they covered this American Top Ten hit for the Beatles on their first album "Please Please Me". The BBC interpretation has a cute ending rather than the familiar fade-out on the record.

John Lennon vocal
Paul McCartney
Track 20 June 1962
BBC/Paul Thomas, London
The Beatles' original was on the flip side of their biggest British hit "We Love You, We Love You". The Beatles' first album includes "Boys" and the BBC take was selected from the event occasions they recorded it for the radio.

SIDE 2
1. I'LL FOLLOW THE SUN
Chorus
Track 20 August 1963
BBC/Paul Thomas, London
The member BBC session of 15 July 1963 (highlight songs for three programmes) gave an opportunity to try out this song by girl-group The Doves and has also later the full version was used for the second album "With The Beatles".
